**Sunflower 'Goldie' F<sub>1</sub>**  
**American Garden Award 2012 Entry**

Sunflowers are the most popular home garden flower, easy to grow, and great for cut flowers. Enjoy this tall, multi-heading, extended flowering, bright golden yellow double sunflower as fence and tall border, or as a concentrated planting for a show stopping pop of color in any section of your garden.

- Huge, bright, golden-yellow double-petal flowers
- Nice uniform foliage on thick, vigorous stems
- Excellent for tall borders, as a fence, or as a garden show-stopper
- Extended flowering, multi-headed plants grow up to 5-6 feet
- Easy to grow, and great for cut flowers
