HOW TO VOTE:

The American Garden Award is a unique opportunity for the gardening public to vote on a specific flower or plant that they think has the most appealing garden characteristics.

Never before has an entire nation of flower enthusiasts had the chance to let their voice be heard when choosing their favorite garden flower in one nation-wide competition.

Some of the world's most prominent flower breeders have chosen their best varieties to enter into this competition. Consumers can view the plants in person at one of the participating gardens, or view them online, then vote on their favorite. There are three ways to vote:

1. Text your vote using the codes on each variety sign.
2. Go to www.americangardenaward.org and click on your favorite.
3. Use the postcards provided by AAS/AGA and found in the AGA display gardens.

Voting will be open from June 1st through August 31st. Winners will be announced in early September.

The American Garden Award program is administered by the All-America Selections® Display Garden program. AGA entries have not been trialed nor awarded a winner status by the AAS® Trial Judges.
