What is the American Garden Award?

The American Garden Award is a unique opportunity for the gardening public to vote on a specific flower or plant that they think has the most appealing garden characteristics.

Follow these signs to the American Garden Award Display garden and find out there how to vote for your favorite flower!

The American Garden Award program is administered by the All-America Selections[®] Display Garden program. AGA entries have not been trialed nor awarded a winner status by the AAS[®] Trial Judges.
